New Driveway Installation

Date: _____

Property Owner: _____

Address: _____

The Scioto Township Road Department will be installing a driveway pipe, as requested by owner. This type of work often results in excess dirt removed from the pipe location.

- The dirt will be left on the property and the property owner will be responsible for its final placement.
- Special Request:

If the property owner would like the drainage ditch extended across their property, then please contact a township trustee to discuss the extension.

- Approve drainage ditch extension
- Deny drainage ditch extension.
- Special Request:

Please sign below and call the number above with any questions.

Thank you.
